Sunday, May 31, 2015

9h00 - 17h00 (Foyer Aranjuez)
REGISTRATION OPEN

9h00 - 17h00
WORKSHOP AND DOCTORAL FORUM

Room: SEGÓVIA I
ORI (US OFFICE OF RESEARCH INTEGRITY) WORKSHOP ON HANDLING RESEARCH MISCONDUCT ALLEGATIONS IN A GLOBAL CONTEXT
Chair: Zul Hammatt, Office of Research Integrity, US
Speakers in the ORI Workshop:
- Nils Axelsen, Statens Serum Institute, Denmark
- Daniel Bar, University of Melbourne, Australia
- Susan Gafunkel, Office of Research Integrity, US
- Zoe Hammatt, Office of Research Integrity, US
- Ping Sun, Institute of Scientific and Technical Information of China, China
- Paul Taylor, The University of Melbourne, Australia
- Susan Zimmerman, Secretariat on Responsible Conduct of Research, Canada

Room: SEGÓVIA II
DOCTORAL FORUM (BY INVITATION ONLY)
Chair: Nicholas Steneck, University of Michigan, US
Speakers in the DOCTORAL FORUM:
- Edgardo Damazo, Federal University of Río de Janeiro, Brazil
- Rita Feini, University of Porto, Portugal
- Simon Gorchakov, University of Lviv, Ukraine
- Chris Hartgenkijn, Tilburg University, Netherlands
- Niall O’Brien, University College Dublin, Ireland
- Sophie Jia An Pan, National Chiao Tung University, Chinese Taipei
- Christiane C. Santos, Federal University of Río de Janeiro, Brazil
- J.K. Tijdé, VU University, Netherlands
- Sandor van den Bogert, Utrecht University, Netherlands
- Pankaj R. Parikh, Indian Institute of Technology, India
- Elizabeth Heitman, Vanderbilt University, US
- Brian Martinson, HealthPartners Institute for Education and Minneapolis Veterans Affairs, US

Panelists in the DOCTORAL FORUM:
- Elizabeth Heitman, Vanderbilt University, US
- Brian Martinson, HealthPartners Institute for Education and Minneapolis Veterans Affairs, US
- Andre Pinto, Brazilian Center for Physics Research, Brazil
- Nicholas Steneck, University of Michigan, US

12h30 - 17h00
WORKSHOP AND EDUCATION TRACK
Room: Itamaraty
EDUCATION TRACK / CERTIFICATE COURSE
SESSION 1: CONFERENCE OPENING AND WELCOME
Chair: Melissa S. Anderson, University of Minnesota, US
Speakers in the Education Track:
- Eric C. Moh, University of California San Francisco, US
- Ana Marusic, University of Split School of Medicine, Croatia
- Ivon Oronsky, Association of Health Care Journalists, US
- Richard Van Noorden, Nature, UK

Room: SEGÓVIA III
COPE (COMMITTEE ON PUBLICATION ETHICS) WORKSHOP FOR EDITORS
Chair: Charlotte Haug
Speakers in the COPE Workshop:
- Behrooz Atparast, Shiraz University of Medical Sciences, Iran
- Charlotte Haug, Committee on Publication Ethics, Norway
- Muhammed Ijmen, Peshawar Medical College, Pakistan

18h00 - 19h00 / 19h00 - 20h30
RECEPTION

Monday, June 1, 2015

8h00 - 17h00 (Foyer Aranjuez)
REGISTRATION OPEN

9h00 - 10h30
PLENARY B
CURRENT PROBLEMS IN THE RESEARCH SYSTEM
Chair: Melissa S. Anderson, University of Minnesota, US
KEYNOTE PRESENTATION: WHAT IS HOLDING US BACK IN THE PREVENTION OF QUESTIONABLE RESEARCH PRACTICES?
Presenter: Les Bouter, VU University, Netherlands
AN ECO-SYSTEMIC LENS ON RESEARCH INTEGRITY
Presenter: Brian Martinson, HealthPartners Institute for Education and Minneapolis Veterans Affairs, US
MEASURING SUCCESS WITHIN THE GERMAN CENTER FOR LUNG RESEARCH: IMPLICATIONS FOR RESEARCH INTEGRITY
Presenter: Klaus Robe, German Centre for Lung Research, Germany

10h30 - 11h00
BREAK (Poster presenters available for discussion)

19h00 - 23h00
PLENARY B
CONCURRENT SESSIONS 1-5, SESSION 5A AND PARTNER SYMPOSIUM A
Room: Alvorada I
1. COUNTRIES’ SYSTEMS AND POLICIES TO FOSTER RESEARCH INTEGRITY
Chair: Nils Axelsen, Statens Serum Institute, Denmark
CS01.1 – Second time around: Implementing and embedding a review of responsible conduct of research policy and practice in an Australian research-intensive university
Presenter: Susan Patricia O’Brien, The University of Queensland, Australia
CS01.2 – Measures to promote research integrity in a university: The case of an Asian University
Presenter: Donny Chan, The University of Hong Kong, Hong Kong
Co-author: Frederik Lexing, The University of Hong Kong, Hong Kong

Room: Alvorada II
3. THE RESEARCH ENVIRONMENT AND POLICIES TO ENCOURAGE RESEARCH INTEGRITY
Chair: Paul Gailer, Liverpool School of Tropical Medicine, UK
CS03.1 – Challenges and best practices in research integrity: Bridging the gap between policy and practice
Presenter: Pardis Saeedi, University of Technology Sydney, Australia
Co-author: Julie Connell, Nicky Solomon, all: University of Technology Sydney, Australia
CS03.2 – The Slovenian initiative for better research: From national activities to global reflections
Presenter: Ursa Opara, University of Technology, Slovenia
Co-author: Renata Sribar, Alma Mater Europaea, Slovenia
CS03.3 – Organizational climate assessments to support research integrity: Background of the Survey of Organizational Research Climate (SOuRCe) and experience with its use at Michigan State University
Presenter: Brian C. Martinson, HealthPartners Institute for Education and Minneapolis Veterans Administration, US
Co-authors: Carol R. Thack, University of Arkansas for Medical Sciences, US; Karen L. Klomparens, Michigan State University, US; Terry May, Michigan State University, US

Room: Alvorada III
4. EXAMPLES OF RESEARCH INTEGRITY EDUCATION PROGRAMMES IN DIFFERENT COUNTRIES
Chair: Merry Bullock, American Psychological Association, US
CS04.1 – Development of a state-run, online, education program of research ethics in Korea
Presenter: Eun Jang Kim, Korea Institute of Human Resources Development in Science & Technology, Korea
Co-authors: Jin San Ra, Korea Institute of Human Resources Development in Science & Technology, Korea; Taehwan Gwan, Korea Institute of Human Resources Development in Science & Technology, Korea; Jin Min Lee, Korea Institute of Human Resources Development in Science & Technology, Korea; Min-Ho Lee, National Research Foundation of Korea, Korea
CS04.2 – Mapping African research ethics review capacity
Presenter: Balthulume Molopotla, Botswana
CS04.3 – Responsible conduct of research teachers’ training courses in Germany: Keeping on drilling through hard boards for more RER teachers
Presenter: Helga Nolte, Team Scientific Integrity, Germany
Co-authors: Michael Gommel, Gerlinde Sponholz, all: Team Scientific Integrity, Germany
CS04.4 – Teaching young scientists how to be productive as a positive way to prevent scientific misconducts
Presenter: Tung-Tien Sun, New York University Medical School, US

Room: Alvorada IV
2. EXAMINES OF RESEARCH INTEGRITY EDUCATION PROGRAMMES IN DIFFERENT COUNTRIES
Chair: Merry Bullock, American Psychological Association, US
CS04.1 – Development of a state-run, online, education program of research ethics in Korea
Presenter: Eun Jang Kim, Korea Institute of Human Resources Development in Science & Technology, Korea
Co-authors: Jin San Ra, Korea Institute of Human Resources Development in Science & Technology, Korea; Taehwan Gwan, Korea Institute of Human Resources Development in Science & Technology, Korea; Jin Min Lee, Korea Institute of Human Resources Development in Science & Technology, Korea; Min-Ho Lee, National Research Foundation of Korea, Korea
CS04.2 – Mapping African research ethics review capacity
Presenter: Balthulume Molopotla, Botswana
CS04.3 – Responsible conduct of research teachers’ training courses in Germany: Keeping on drilling through hard boards for more RER teachers
Presenter: Helga Nolte, Team Scientific Integrity, Germany
Co-authors: Michael Gommel, Gerlinde Sponholz, all: Team Scientific Integrity, Germany
CS04.4 – Teaching young scientists how to be productive as a positive way to prevent scientific misconducts
Presenter: Tung-Tien Sun, New York University Medical School, US

Room: Alvorada IV
3. THE RESEARCH ENVIRONMENT AND POLICIES TO ENCOURAGE RESEARCH INTEGRITY
Chair: Paul Gailer, Liverpool School of Tropical Medicine, UK
CS03.1 – Challenges and best practices in research integrity: Bridging the gap between policy and practice
Presenter: Pardis Saeedi, University of Technology Sydney, Australia
Co-author: Julie Connell, Nicky Solomon, all: University of Technology Sydney, Australia
CS03.2 – The Slovenian initiative for better research: From national activities to global reflections
Presenter: Ursa Opara, University of Technology, Slovenia
Co-author: Renata Sribar, Alma Mater Europaea, Slovenia
CS03.3 – Organizational climate assessments to support research integrity: Background of the Survey of Organizational Research Climate (SOuRCe) and experience with its use at Michigan State University
Presenter: Brian C. Martinson, HealthPartners Institute for Education and Minneapolis Veterans Administration, US
Co-authors: Carol R. Thack, University of Arkansas for Medical Sciences, US; Karen L. Klomparens, Michigan State University, US; Terry May, Michigan State University, US

Room: Alvorada IV
3. THE RESEARCH ENVIRONMENT AND POLICIES TO ENCOURAGE RESEARCH INTEGRITY
Chair: Paul Gailer, Liverpool School of Tropical Medicine, UK
CS03.1 – Challenges and best practices in research integrity: Bridging the gap between policy and practice
Presenter: Pardis Saeedi, University of Technology Sydney, Australia
Co-author: Julie Connell, Nicky Solomon, all: University of Technology Sydney, Australia
CS03.2 – The Slovenian initiative for better research: From national activities to global reflections
Presenter: Ursa Opara, University of Technology, Slovenia
Co-author: Renata Sribar, Alma Mater Europaea, Slovenia
CS03.3 – Organizational climate assessments to support research integrity: Background of the Survey of Organizational Research Climate (SOuRCe) and experience with its use at Michigan State University
Presenter: Brian C. Martinson, HealthPartners Institute for Education and Minneapolis Veterans Administration, US
Co-authors: Carol R. Thack, University of Arkansas for Medical Sciences, US; Karen L. Klomparens, Michigan State University, US; Terry May, Michigan State University, US
Monday, June 1, 2015

Room: El Pardo I

4. EXPRESSIONS OF CONCERN AND RETRACTIONS
Chair: Vronique Klemmer, Nature, US
CS04.1 – Proposed guidelines for retraction notices and their dissemination
Presenter: Ivan Oransky, Retraction Watch, US
Co-author: Adam Marcus, Retraction Watch, US
CS04.2 – Watching retractions: Analysis of process and practice, with data from the Wiley retraction archives
Presenter: Chris Graf, Wiley, UK
Co-authors: Verity Hume, Edward Watts, Sue Jeshau, all: Wiley, UK
CS04.3 – An exploratory content analysis of Expressions of Concern
Presenter: Miguel Raig, St. John’s University, US
CS04.4 – An ethics researcher in the retraction process
Presenter: Michael Mumford, University of Oklahoma, US

Room: El Pardo II

5. FUNDERS’ ROLE IN FOSTERING RESEARCH INTEGRITY
Chair: Karen Wallace, Canadian Secretariat on Responsible Conduct of Research
CS05.1 – The Fonds de Recherche du Québec’s institutional rules on the responsible conduct of research: Introduction in the funding agency activities
Presenter: Mylène Deschênes, Fonds de recherche du Québec, Canada
Co-authors: Catherine Olivier, Raphaëlle Dupras-Leduc, all: Fonds de recherche du Québec, Canada
CS05.2 – U.S. Public Health Service funds in an international setting: Research integrity and compliance
Presenter: Zoe Hammatt, U.S. Office of Research Integrity, US
Co-authors: Michael Kalichman, University of California San Diego, US; Elizabeth Mejia-Boox, University of California San Diego, US; Blair Azevedo-Pacheco, University of California San Diego, US; Rebeca Espinosa-Garcia, San Diego State University, US; Sheila Castaneda, San Diego State University, US

Room: Segovia I, I II

SA: EDUCATION - FOR WHOM, HOW, AND WHAT?
Chair: Farida Lado, City University of New York, US
CS05A.1 – Research integrity or responsible conduct of research?: What do we aim for?
Presenter: Mickey Genois, University of Copenhagen, Denmark
Co-authors: Maud Marinon, Laid Eriksen, Uppsala University, Sweden; Jeppe Berggreen Hoy, University of Copenhagen, Denmark
CS05A.2 – Teaching and learning about RCR at the same time: A report on Epigone’s RCR poll questions and other assessment activities
Presenter: Nicholas H. Steneck, University of Michigan and Epigone
CS05A.3 – Minding the gap in research ethics education: Strategies to assess and improve research competencies in community health workers/promoters
Presenter: Camille Nobeker, University of California San Diego, US
Co-authors: Michael Kalichman, University of California San Diego, US; Elizabeth Mejia-Boox, University of California San Diego, US; Blair Azevedo-Pacheco, University of California San Diego, US; Rebeca Espinosa-Garcia, San Diego State University, US; Sheila Castaneda, San Diego State University, US
CS05A.4 – Minding the gap in research ethics education: Strategies to assess and improve research competencies in community health workers/promoters
Presenter: Camille Nobeker, University of California San Diego, US
Co-authors: Michael Kalichman, University of California San Diego, US; Elizabeth Mejia-Boox, University of California San Diego, US; Blair Azevedo-Pacheco, University of California San Diego, US; Rebeca Espinosa-Garcia, San Diego State University, US; Sheila Castaneda, San Diego State University, US

Room: Segovia I, II, III

PARTNER SYMPOSIUM A
Organized by EQUATOR Network, Enhancing the Quality and Transparency of Health Research
Making the research publication process more efficient and responsible: Practical ways to improve the reliability and usability of published (health) research
Chairs: Alan Sinema, University of Oxford, UK; Trish Groves, BMJ, UK
Can we trust the medical research literature?: Poor reporting and its consequences
Ivetta Silvina, University of Rome Tor Vergata, Italy
What can BioMed Central do to improve published research?
Daniel Shanahan, BioMed Central, UK
What can a “traditional” journal do to improve published research?
Trish Groves, BMJ, UK
Promoting good reporting practice for reliable and usable research papers: EQUATOR Network, reporting guidelines and other initiatives
Catherine Streevers, University of Oxford, UK

13h00 - 14h15 Room: Queluz

LUNCH

Monday, June 1, 2015

Room: Alvorada I

14h15 - 15h45
FOCUS TRACKS, EDUCATION TRACK AND PARTNER SYMPOSIUM B
Room: Alvorada I

FOCUS TRACK: IMPROVING RESEARCH SYSTEMS: THE ROLE OF FUNDERS
Moderator: Susan Zimmerman, Secretariat on Responsible Conduct of Research, Canada; Paulo Biniário, Director of Science, Technology and Innovation of FAPESP, Brazil
Room: Segovia I, II, III

FOCUS TRACK: IMPROVING RESEARCH SYSTEMS: THE ROLE OF COUNTRIES
Moderators: Sabine Kleiart, The Lancet, UK; Ana Morais, University of Split School of Medicine, Croatia

Room: Alvorada II

FOCUS TRACK: IMPROVING RESEARCH SYSTEMS: THE ROLE OF INSTITUTIONS
Moderators: Melissa S. Anderson, University of Minnesota, US; Lex Bouter, VU University, Netherlands

Room: Itamaraty

EDUCATION TRACK / CERTIFICATE COURSE
PUBLICATION ETHICS: CHALLENGES IN RESPONSIBLE RESEARCH COMMUNICATION
Session 2: Show us the data: Data fabrication, falsification, image manipulation and data storage
Chair: Elizabeth Wager, ScienceDirect, UK

Room: Itamaraty

PARTNER SYMPOSIUM B
Organized by EMBO, the European Molecular Biology Organization
Pre-publication ethics screens: A definition of best practices and responsibilities
Chair: Michelle Garfinkel, EMBO, Germany
Situating pre-publication ethics screens in a framework of responsible conduct of research
Dana Pluemmons, University of California San Diego, US
Transparent processes, integrity screening, and definitions of responsibilities
Michiel Garfinkel, EMBO, Germany
Prior publication and originality in research: Are ideas of redundancy reshaping these concepts?
Sonio Vasconcelos, Universidade Federal do Rio de Janeiro (UFRJ), Brazil

16h00 - 17h30 Room: Segovia I, II, III
PLENARY C

DRIVERS OF THE CURRENT RESEARCH SYSTEM
Chair: Tony Mayer, Nanyang Technological University, Singapore
A SERIES OF ENGAGEMENT ACTIVITIES EXPLORING THE CULTURE OF SCIENTIFIC RESEARCH IN THE UK
Presenter: Ottoline Leyser, University of Cambridge, UK
THE POWER, PERILS, AND PITFALLS OF PEER REVIEW IN PUBLIC
Presenter: Philip Moriarty, University of Nottingham, UK

DRIVERS OF RESEARCH MISCONDUCT: PERSPECTIVES FROM THE U.S. OFFICE OF RESEARCH INTEGRITY
Presenter: Zoe Hammatt, Office of Research Integrity, US
Co-author: John Dahlberg, Office of Research Integrity, US

17h30 - 18h00 Room: Alhambra
BREAK (Posters on display)

18h00 - 19h30 CONCURRENT SESSIONS 6-10 AND PARTNER SYMPOSIUM C
Room: Alvorada I

6. COUNTRY EXAMPLES OF RESEARCH REWARD SYSTEMS AND INTEGRITY
Chair: Ana Morais, University of Split School of Medicine, Croatia
CS06.1 – Improving Systems to Promote Responsible Research in the Chinese Academy of Sciences
Presenter: Ming Li, Chinese Academy of Sciences, China
Co-authors: Gao Li, Zhubin Zhou, Zhonghe Sun, all: Chinese Academy of Sciences, China
CS06.2 – Research rewards and integrity: Systems and setbacks in Saudi Arabia
Presenter: Badaruddin Abbasi, University of Damman and Ministry of Higher Education, Saudi Arabia

CS06.4 – Exploring the perception of research integrity amongst public health researchers in India
Presenter: Parthasarathi Ganguly, Indian Institute of Public Health Gandhinagar and Public Health Foundation of India
Co-author: Borna Ganguly, Pramukhswami Medical College, India
Monday, June 1, 2015

7. EDUCATION AND GUIDANCE ON RESEARCH INTEGRITY: COUNTRY DIFFERENCES
Chair: Edson Rotmaba, Universidade Federal do Rio de Janeiro (UFRJ), Brazil

CS07.1 – From integrity to unity: How research integrity guidance differs across universities in Europe.
Presenter: Noémie Aubert Bonn, McGill University, Canada
Co-authors: Kris Dierick and Simon Godecharle, all: KU Leuven, Belgium

CS07.2 – Can education and training develop research integrity?: The spirit of the UNESCO 1974 Recommendation and its updating.
Presenter: Danielle Bourcier, Centre National de la Recherche Scientifique, France
Co-authors: Jacques Bordin, Michel Leduc, all: Centre National de la Recherche Scientifique, France

CS07.3 – The education and implementation mechanisms of research ethics in Taiwan’s higher education: An experience in Chinese web-based curriculum development for responsible conduct of research.
Presenter: Chien Chou, National Chiao Tung University, Chinese Taipei
Co-author: Sophia Jui-An Pan, National Chiao Tung University, Chinese Taipei

CS07.4 – Educating principal investigators in Swiss research institutions. Present and future perspectives.
Presenter: Louis Xavier Tiefenauer, Paul Scherrer Institute, Switzerland

8. MEASURING AND REWARDING RESEARCH PRODUCTIVITY
Chair: David Vaux, Walter and Elizabeth Hall Institute, Australia

CS08.1 – Altimpact: How research integrity underpins research product
Chair: Deborah Poff, Brandon University, Canada

CS08.2 – Publication incentives: Just reward or misdirection
Presenter: Daniel Barr, The University of Melbourne, Australia
Co-authors: Tord Einarsson, Simon Godecharle, all: KU Leuven, Belgium

CS08.3 – The missing role of journal editors in promoting responsible research
Presenter: Daniel Barr, The University of Melbourne, Australia
Co-author: Paul Taylor, The University of Melbourne, Australia

CS08.4 – Honorary authorship in Taiwan: Why and who should be in charge?
Presenter: Chien Chou, National Chiao Tung University, Chinese Taipei
Co-author: Sophia Jui-An Pan, National Chiao Tung University, Chinese Taipei

CS08.5 – Authorship and Citation Manipulation in Academic Research
Presenter: Eric Feng, University of Alabama in Huntsville, US
Co-author: AI Wilhite, University of Alabama in Huntsville, US

CS09.1 – What have we learnt?: The CrossCheck Service from Crossref
Presenter: Rocio Lomayes, CrossRef, US

CS09.2 – Investigating the concept of and attitudes toward plagiarism for science teachers in Brazil: Any challenges for research integrity and policy?
Presenter: Christiane Coelho Santos, Colegio Pedro II and Universidade Federal do Rio de Janeiro (UFRJ), Brazil
Co-author: Sonia Vasconcellos, Universidade Federal do Rio de Janeiro (UFRJ), Brazil

CS09.3 – High p-values as a sign of data fabrication/falsification
Presenter: Chris Hartgerink, Tilburg University, Netherlands
Co-authors: Marcel van Assen, Jette Wicherts, all: Tilburg University, Netherlands

CS09.4 – Personality traits predict attitude towards plagiarism of self and others in biology: Plagiarism, yes we can?
Presenter: Martina Movnic, Rijeka University, Croatia
Co-authors: Gordana Brumini, Miladin Petrovevic, all: Rijeka University, Croatia

CS09.5 – Personality traits predict attitude towards plagiarism of self and others in biology: Plagiarism, yes we can?
Presenter: Martina Movnic, Rijeka University, Croatia
Co-authors: Gordana Brumini, Miladin Petrovevic, all: Rijeka University, Croatia

CS10.1 – The role of the UNESCO 1974 Recommendation in influencing research integrity investigations in Europe.
Chair: Niko Freger, Austrian Agency for Research Integrity, Austria
Co-authors: Krista Vonatova, Finnish Advisory Board on Research Integrity, Finland

CS10.2 – Publishing incentives: Just reward or misdirection.
Chair: Deborah Poff, Brandon University, Canada

CS10.3 – Research integrity, research misconduct, and transparency.
Presenter: Jane Jacobs, Queensland University of Technology, Australia

CS10.4 – Integrity officers and integrity officers: a critical look at their roles and responsibilities.
Presenter: Helga Nolte, University of Hamburg, Germany

Monday, June 1, 2015

Room: El Pardo I

9. PLAGIARISM AND FALSIFICATION: BEHAVIOUR AND DETECTION
Chair: Miguel Roig, St John’s University, US

CS09.1 – Personality traits predict attitude towards plagiarism of self and others in biology: Plagiarism, yes we can?
Presenter: Martina Movnic, Rijeka University, Croatia
Co-authors: Gordana Brumini, Miladin Petrovevic, all: Rijeka University, Croatia

CS09.2 – Investigating the concept of and attitudes toward plagiarism for science teachers in Brazil: Any challenges for research integrity and policy?
Presenter: Christiane Coelho Santos, Colegio Pedro II and Universidade Federal do Rio de Janeiro (UFRJ), Brazil
Co-author: Sonia Vasconcellos, Universidade Federal do Rio de Janeiro (UFRJ), Brazil

CS09.3 – What have we learnt?: The CrossCheck Service from Crossref
Presenter: Rocio Lomayes, CrossRef, US

CS09.4 – High p-values as a sign of data fabrication/falsification
Presenter: Chris Hartgerink, Tilburg University, Netherlands
Co-authors: Marcel van Assen, Jette Wicherts, all: Tilburg University, Netherlands

CS09.5 – Personality traits predict attitude towards plagiarism of self and others in biology: Plagiarism, yes we can?
Presenter: Martina Movnic, Rijeka University, Croatia
Co-authors: Gordana Brumini, Miladin Petrovevic, all: Rijeka University, Croatia

CS10.1 – The role of the UNESCO 1974 Recommendation in influencing research integrity investigations in Europe.
Chair: Niko Freger, Austrian Agency for Research Integrity, Austria
Co-authors: Krista Vonatova, Finnish Advisory Board on Research Integrity, Finland

CS10.2 – Publishing incentives: Just reward or misdirection.
Chair: Deborah Poff, Brandon University, Canada

CS10.3 – Research integrity, research misconduct, and transparency.
Presenter: Jane Jacobs, Queensland University of Technology, Australia

CS10.4 – Integrity officers and integrity officers: a critical look at their roles and responsibilities.
Presenter: Helga Nolte, University of Hamburg, Germany

19h45 - 20h30
POSTER SESSIONS
(Brief oral presentations of posters)
Note: All posters will be displayed throughout the conference in Alhambra
Room: Almada I

POSTER SESSION A: AUTHORSHIP AND PUBLICATION ETHICS
Chair: Daniel Barr, The University of Melbourne, Australia

PT.01 – The missing role of journal editors in promoting responsible research
Presenter: Ibrahim Alorainy, King Saud University, Saudi Arabia
Co-author: Khalid Al-Wazzan, King Saud University, Saudi Arabia

PT.02 – Honorary authorship in Taiwan: Why and who should be in charge?
Presenter: Chien Chou, National Chiao Tung University, Chinese Taipei
Co-author: Sophia Jui-An Pan, National Chiao Tung University, Chinese Taipei

PT.03 – Authorship and Citation Manipulation in Academic Research
Presenter: Eric Feng, University of Alabama in Huntsville, US
Co-author: AI Wilhite, University of Alabama in Huntsville, US

PT.04 – Open peer review of research submission at medical journals: Experience at BMJ and The BMJ
Presenter: Trish Groves, The BMJ, UK

PT.05 – Exercising authorship: Claiming rewards, practicing integrity
Presenter: Désirée Motto-Roth, Universidade Federal de Santa Maria, Brazil

PT.06 – What studies of retractions tell us
Presenter: Ivan Oransky, Retraction Watch, US
Co-author: Adam Marcus, Retraction Watch, US

PT.07 – Medical scientists’ views on publication culture: A focus group study
Presenter: Joeri Tjibik, VU University, Amsterdam, Netherlands
Co-author: Yvo Smulders, VU University, Amsterdam, Netherlands

Room: Almada II

POSTER SESSION B: EDUCATION, TRAINING, PROMOTION AND POLICY
Chair: Jane Jacobs, Queensland University of Technology, Australia

PT.08 – Ethical challenges in post-graduate supervision
Presenter: Loretus OK Letjie, Central University of Technology, South Africa

PT.09 – The effects of viable ethics instruction on international students
Presenter: Michael Murfong, University of Oklahoma, US
Co-authors: Logan Steele, University of Oklahoma, US; Logan Watts, University of Oklahoma, US; James Johnson, United States Air Force, US; Shane Connolly, University of Oklahoma, US; Lee Williams, University of Oklahoma, US

PT.10 – Does (uncertainty in) language reflect the quality of research?
Presenter: Gerben ter Weit, University of Amsterdam, Netherlands
Co-authors: Sofia Amiel, University of Amsterdam, Netherlands; Lotty Hooff, University of Utrecht, Netherlands; Holm Köhgl, National Library of Medicine, US

PT.11 – Integrity complaints as a strategic tool in policy decision conflicts
Presenter: Janneke van der Lee, Wageningen University & Research Centre, Netherlands
Co-authors: Herman Eijackers, Fiona Voors, Alike von der Zijpp, Frans Brom, all: Wageningen University & Research Centre, Netherlands

PT.12 – Assessing the impact of training in the responsible conduct of research. The Epigem IMPICT program
Presenter: Nicholas H. Steem, University of Michigan and Epigem
PT.14 – Regulations of informed consent: University-Brazil, Universidade Federal do Rio de Janeiro, Martha
Committees for Research ethics, Norway
Presenter: research ethics education, South African Medical Research Arabia:
de Pesquisas da Amazônia, Brazil
Presenter: Katie Spremung, Abt Associates, US
PT.23 – Creating an environment that promotes research integrity: An institutional model of the Malawi Liverpool
Wellcome Trust
Limbonzo Matondika, University of Kwa Zulu Natal, South Africa

Monday, June 1, 2015

Room: Segovia 1, 2, 3
POSTER SESSION C: ETHICS AND INTEGRITY INTERSECTIONS
Chair: Marthe Sorensen, Universidade Federal do Rio de Janeiro, Brazil

PT.14 – Regulations of informed consent: University-supported research processes and pitfalls in implementation
Presenter: Badaruddin Abbasi, University of Damascus, Saudi Arabia
Co-author: Nof Nasser Almasoud, University of Damascus, Saudi Arabia
PT.15 – A review of equipoise as a requirement in clinical trials
Presenter: Adil Lubcheghan, South African Medical Research Council, South Africa

PT.16 – The Research Ethics Library: Online resource for research ethics education
Presenter: Johanne Seversonsen, The Norwegian National Committees for Research Ethics, Norway
Co-author: Espen Engsh, The Norwegian National Committees for Research Ethics, Norway
PT.17 – Research integrity: The view from King Abdulaziz City for Science and Technology
Presenter: Dahan Ismail Alani, King Abdulaziz City for Science and Technology, Saudi Arabia

Monday, June 1, 2015

Room: Segovia IV
POSTER SESSION D: INTERNATIONAL PERSPECTIVES
Chair: Margaret Fars, University of Sydney, Australia

PT.20 – Overview of current regulations and regulations development in the Saudi Geography Society
Presenter: Nasser M. Alzeer, King Saud University, Saudi Arabia
Co-author: Ali A. Aladne, King Saud University, Saudi Arabia

PT.21 – The Commission for Scientific Integrity as a response to research fraud
Presenter: Dieter De Bruyne, Ghent University, Belgium

PT.22 – Are notions of the responsible conduct of research associated with compliance with requirements for research on humans in different disciplinary traditions in Brazil?
Presenter: Xavina de Albuquerque Rocha, Universidade Federal do Rio de Janeiro (UFRJ), Brazil
Co-author: Sonia Mario Ramos de Vasconcelos, Universidade Federal do Rio de Janeiro (UFRJ), Brazil

PT.23 – Creating an environment that promotes research integrity: An institutional model of the Malawi Liverpool
Wellcome Trust
Limbonzo Matondika, University of Kwa Zulu Natal, South Africa

PT.24 – How do science policies in Brazil influence user-engaged ecological research?
Presenter: Aline Carolina de Oliveira Machado Pinto, Universidade Federal do São Carlos, Brazil
Co-author: Mark William Keff, Western Washington University, US

PT.25 – Efforts toward the advancement of sciences in Guatemala
Presenter: Lucía Nitzch Velázquez, Universidad del Valle de Guatemala, Guatemala
Co-author: Arzúiana Fulop-Rios, Universidad del Valle de Guatemala, Guatemala
Room: El Pardo

PT.26 – What “causes” scientific misconduct?: Testing major hypotheses by comparing corrected and retracted papers
Presenter: Daniele Fanelli, Stanford University, US
Co-authors: Rosario Costas, London University, Netherlands; Vincent Larivière, Université de Montréal, Canada

PT.27 – Perception of academic plagiarism among dentistry students
Presenter: Douglas Leonardos Games Filho, Universidade Federal do Rio de Janeiro (UFRJ), Brazil
Co-author: Diego Oliveira Guedes, Universidade Estadual do Sudoeste da Bahia/Bahia, Brazil

PT.28 – (Quite) a few bad apples?: Prevalence, patterns and attitudes towards scientific misconduct among doctoral students at a German university hospital
Presenter: Volker Bühr, Charité, Office for Good Scientific Practice, Germany
Co-authors: Niklos Keller, Charité, Germany; Markus Feudel, Charité, Germany; Nikolos Offkenhauser, Charité, Germany

PT.29 – Analysis of retraction notices published by BioMed Central
Presenter: Fabio Ludo, The City University of New York, US and Maastricht University/United Nations University–MERIT, Netherlands

PT.30 – Plagiarism, unfair peer review and the publication of illegitimately appropriated scientific findings: A case study
Presenter: Antonio Rossano Mendes Pontes, Instituto Nacional de Pesquisas da Amazônia, Brazil

PT.31 – “He did it” doesn’t work: Data security, incidents and partners
Presenter: Katie Spremung, Abt Associates, US

Monday, June 1, 2015

Room: El Pardo
POSTER SESSION F: VIEWS FROM THE DISCIPLINES
Chair: Paul Taylor, University of Melbourne, Australia

PT.32 – Robust procedures: A key to generating quality results in drug discovery
Presenter: Malina Dzyaguva, Janssen Research & Development, US
Co-authors: Mariusz Lubomirski, Janssen Research & Development, Belgium; Tam Luong, Janssen Research & Development, Belgium; David McQuillan, Janssen Research & Development, Belgium; David Geoffer, Janssen Research & Development, Belgium

PT.33 – Health promotion: Criteria for the design and the integrity of a research project
Presenter: Maria Betini de Freitas Marques, Faculdade de Minas, Brazil
Co-authors: Loresa Lima Amâncio, Raphaëla Dias Fernandes, Oliveira Patrocínio, Cláudio Maria Correia Borges Rech, all: Faculdade de Minas, Brazil

PT.34 – Integrity of academic work from the perspective of students graduating in pharmacy: A brief research study
Presenter: Maria Betini de Freitas Marques, Faculdade de Minas, Brazil
Co-authors: Cláudio Maria Correia Borges Rech, Adriana Nascimento Sousa, all: Faculdade de Minas, Brazil

PT.35 – Research integrity promotion in the Epidemiology and Health Services, the journal of the Brazilian Unified Health System
Presenter: Leila Ponsodato Garcia, Institute for Applied Economic Research, Brazil

PT.36 – When are clinical trials registered?: An analysis of prospective versus retrospective registration of clinical trials published in the BioMed Central series, UK
Presenter: Stephanie Hamiman, BioMed Central, UK
Co-author: Jgisha Patel, BioMed Central, UK

PT.37 – Maximizing welfare while promoting innovation in drug development
Presenter: Flakke Ellefsen, The Norwegian National Committees for Research Ethics, Norway

Monday, June 1, 2015

OTHER POSTERS THAT WILL BE DISPLAYED BUT NOT PRESENTED ORALLY
PT.38 – Geometrics and the debate on research integrity in geosciences
Presenter: Giuseppe Di Capua, Istituto Nazionale di Geofisica e Vulcanologia, Italy
Co-author: Silvia Peppoloni, International Association for Promoting Geoeosciences, Italy

PT.39 – Introducing the Professionalism and Integrity in Research Program (PI, Program)
Presenter: James M. Dubois, Washington University, US
Co-authors: John Chibnall, Allan Von Der Walt, all: Saint Louis University, US

PT.40 – Validation of the professional decision-making in research measure
Presenter: James M. Dubois, Washington University, US
Co-authors: John Chibnall, Allan Von Der Walt, Raymond Tait, all: Saint Louis University, US

PT.41 – General guidelines for research ethics
Presenter: Jacob Holen, Norwegian National Research Ethics Committees, Norway

PT.42 – A national forum for research ethics
Presenter: Adile Flakke Johannesen, The Norwegian National Committees for Research Ethics, Norway
Co-author: Tonnie Elffers, The Norwegian National Committees for Research Ethics, Norway

PT.43 – Evaluation of integrity in coursework: An approach from the perspective of the higher education professor
Presenter: Cláudio Rech, Faminas-8h, Arquidiocese De Belo Horizonte, Brazil
Co-authors: Adriano Sousa, Maria Betini de Freitas Marques, all: Faminas-8h, Pesquisa, Brazil

PT.44 – Principles of geoethics and research integrity applied to the European Multidisciplinary Seafloor and Water Column Observatory (EMXO), a large-scale European environmental research infrastructure
Presenter: Silvia Peppoloni, Istituto Nazionale di Geofisica e Vulcanologia and International Association for Promoting Geoeosciences, Italy
Co-authors: Giuseppe Di Capua, Istituto Nazionale di Geofisica e Vulcanologia and International Association for Promoting Geoeosciences, Italy; Laura Benazzo, Istituto Nazionale di Geofisica e Vulcanologia, Italy

Room: Segovia 1, 2, 3
POSTER SESSION E: PERSPECTIVES ON MISCONDUCT
Chair: Sue O’Brien, University of Queensland, Australia

PT.26 – What “causes” scientific misconduct?: Testing major hypotheses by comparing corrected and retracted papers
Presenter: Daniele Fanelli, Stanford University, US
Co-authors: Rosario Costas, London University, Netherlands; Vincent Larivière, Université de Montréal, Canada

PT.27 – Perception of academic plagiarism among dentistry students
Presenter: Douglas Leonardo Games Filho, Universidade Federal do Rio de Janeiro (UFRJ), Brazil
Co-author: Diego Oliveira Guedes, Universidade Estadual do Sudoeste da Bahia/Bahia, Brazil

PT.28 – (Quite) a few bad apples?: Prevalence, patterns and attitudes towards scientific misconduct among doctoral students at a German university hospital
Presenter: Volker Bühr, Charité, Office for Good Scientific Practice, Germany
Co-authors: Niklos Keller, Charité, Germany; Markus Feudel, Charité, Germany; Nikolos Offkenhauser, Charité, Germany

PT.29 – Analysis of retraction notices published by BioMed Central
Presenter: Maria K. Kowalczyk, BioMed Central, UK
Co-author: Elizabeth C. Maylon, BioMed Central, UK

PT.30 – Plagiarism, unfair peer review and the publication of illegitimately appropriated scientific findings: A case study
Presenter: Antonio Rossano Mendes Pontes, Instituto Nacional de Pesquisas da Amazônia, Brazil

PT.31 – “He did it” doesn’t work: Data security, incidents and partners
Presenter: Katie Spremung, Abt Associates, US
Tuesday, June 2, 2015

8h00 - 17h00 (Foyer Aranjuez)
REGISTRATION OPEN

9h00 - 10h30 Room: Segovia I, II, III
PLENARY D

CHANGING THE RESEARCH SYSTEM
Chair: Mark Frantl, American Association for the Advancement of Science, US

KEYNOTE PRESENTATION: SIX CHANGES IN THE RESEARCH SYSTEM TO REINFORCE INTEGRITY: EVOLVING RESEARCH ASSESSMENT IN CHINA
Presenter: Wei Yang, National Natural Sciences Foundation, China

BREAK (Poster presenters available for discussion)

10h30 - 11h00 Room: Alhambra

11. COUNTRIES’ EFFORTS TO ESTABLISH MENTORING AND NETWORKS
Chair: Torild Vethe, The Norwegian National Committee for Research Ethics, Norway

CS11.1 – ENRIO (European Network of Research Integrity Offices), A network facilitating common approaches on research integrity in Europe
Presenter: Nicole Foeger, Austrian Agency for Research Integrity and European Network of Research Integrity Offices, Austria

CS11.2 – Helping junior investigators develop in a resource-limited country: A mentoring program in Peru
Presenter: A. Rosana Lesana, Naval Medical Research Unit No. 6, Peru
Co-authors: Claudia Lanata, Gisellor Vasquez, Leguido Mariana, Martin Salve, Matthew Ripper, Claudia Montes, Daniel Bausch, Andres Lescano, all: Naval Medical Research Unit No. 6, Peru

CS11.3 – Netherlands Research Integrity Network: The first six months
Presenter: Fenneri Bloem, VU University Medical Center Amsterdam, the Netherlands
Co-author: Lex Bouwer, VU University Medical Center Amsterdam, the Netherlands

CS11.4 – A South African framework for research ethics and integrity for researchers, postgraduate students, research managers and administrators
Presenter: Lusitik NK Lepito, Central University of Technology, South Africa

Room: Alhambra II

12. TRAINING AND EDUCATION IN RESEARCH INTEGRITY AT AN EARLY CAREER STAGE
Chair: Harold Slop gamer, Virginia Polytechnic Institute, US

CS12.1 – Research integrity in curricula for medical students
Presenter: Gustavo Fitas Marin, International Federation of Medical Students’ Associations, Brazil

CS12.2 – Team-based learning for training in the responsible conduct of research supports ethical decision-making
Presenter: Wayne T. McCormack, University of Florida, US

CS12.3 – Learning medicine through research: Focus on scientific integrity
Presenter: Luana Ribeiro, University of Porto, Portugal
Co-authors: Margarida Pereira, Maria Amélia Ferreira, all: University of Porto, Portugal

CS12.4 – Research integrity and career prospects of junior researchers
Presenter: Suzanna Kristic, Independent researcher and consultant, Serbia

CS11.2 – Investigator irregularities: Iniquity, ignorance or incompetence?
Presenter: Frank Webb, Health Research Authority, UK
Co-author: Catherine Blundell, Health Research Authority, UK

CS13.2 – Academic plagiarism
Presenter: Fredrik M. Litt, University of Sao Paulo, Brazil

Room: Segovia IV

13. SYSTEMS AND RESEARCH ENVIRONMENTS IN INSTITUTIONS
Chair: Daniel Brun, University of Melbourne, Australia

CS13.1 – Implementing systems in research institutions to improve quality and reduce risk
Presenter: Louise Hardy, Research Quality Association, UK

CS13.2 – Creating an institutional environment that supports research integrity
Presenter: Debo Scholler-Demers, Memorial Sloan Kettering Cancer Center, US

CS13.3 – Ethics and Integrity Development Grants: A mechanism to foster cultures of ethics and integrity
Presenter: Paul Taylor, University of Melbourne, Australia
Co-author: Daniel Bar, University of Melbourne, Australia

CS13.4 – A culture of integrity at KU Leuven
Presenter: Inge Lensoge, KU Leuven, Belgium
Co-authors: Gerald Geis, Liliane Schoofs, all: KU Leuven, Belgium

Room: El Pardo I

14. PEER REVIEW AND ITS ROLE IN RESEARCH INTEGRITY
Chair: Charlotte Houg, Norwegian Medical Association, Norway

CS14.1 – Peer review research across disciplines: Transdomain action in the European Cooperation in Science and Technology (COST) “New Frontiers of Peer Review (PEERE)”
Presenter: Ana Mósaic, University of Split, Croatia
Co-author: Flavio Spano, University of Brescia, Italy

CS14.2 – Using blinding to reduce bias in peer review
Presenter: David Vaux, Walter and Eliza Hall Institute, Australia

CS14.3 – How to intensity the number of reviewers to promote research integrity
Presenter: Khalil Ali-Wazzan, King Saud University, Saudi Arabia
Co-author: Othman Alarabey, King Saud University, Saudi Arabia

CS14.4 – Credit where credit’s due: Professionalizing and rewarding the role of peer reviewer
Presenter: Chris Cof, Wiley, UK
Co-author: Verity Warne, Wiley, UK

Room: El Pardo II

15. RESEARCH ETHICS AND OVERTURE FOR RESEARCH INTEGRITY: DOES IT WORK?
Chair: Ateo Simon, University of Oxford, UK

CS15.1 – The psychology of decision-making in research ethics governance structures: A theory of bounded rationality
Presenter: Nolan O’Shea, University College Dublin, Ireland
Co-authors: Suzanne Guerin, Philip Dadd, all: University College Dublin, Ireland

CS15.2 – Investigator irregularities: Iniquity, ignorance or incompetence?
Presenter: Frank Webb, Health Research Authority, UK
Co-author: Catherine Blundell, Health Research Authority, UK

CS13.2 – Academic plagiarism
Presenter: Fredrik M. Litt, University of Sao Paulo, Brazil

Room: Segovia I, II, III

PARTNER SYMPOSIUM D
Organized by IEEE, the Institute of Electrical and Electronics Engineers
Re-educating our author community: IEEE’s approach to bibliometric manipulation, plagiarism, and other inappropriate practices
Chair: Gordon MacPherson, IEEE, US

Dealing with plagiarism in the connected world: An Institute of Electrical and Electronics Engineers (IEEE) perspective
Jan Rakon, University of Calgary, Canada

Should evaluation of raises, promotion, and research proposals be tied to bibliometric indicators?: What the Institute of Electrical and Electronics Engineers (IEEE) is doing to answer this question
Gamaku Seti, University of Ferrara and University of Bologna, Italy

Recommended practices to ensure conference content quality
Gordon MacPherson, IEEE, US

Room: Immamiery

PARTNER SYMPOSIUM E
Organized by the Committee on Freedom and Responsibility in the Conduct of Science of ICSU, the International Council for Science

Research assessment and quality in science: perspectives from international science and policy organisations
Chair: Meny Balskus, American Psychological Association, US; Roger Pflaeger, ICSU, France

Challenges for science and the problems of assessing research
Elena Hazelkorn, Dublin Institute of Technology, Ireland

Research assessment and science policy development
Garthage Smith, Global Science Forum at the Organisation for Economic Cooperation and Development (OECD), France

Research integrity in South Africa: The value of procedures and processes to global positioning
Robert H. McLaughlin, University of Cape Town, South Africa

Rewards, careers and integrity: Perspectives of young scientists from around the world
Tatiana Daque Martins, Federal University of Coisa, Brazil
Tuesday, June 2, 2015

13h30 - 14h15 Room: Quexú
LUNCH

14h15 - 15h45 Room: Alvorada I
FOCUS TRACKS, EDUCATION TRACK AND PARTNER SYMPOSIUM F & G

FOCUS TRACK: IMPROVING RESEARCH SYSTEMS: THE ROLE OF FUNDERS
Moderator: Susan Zimmerman, Secretariat on Responsible Conduct of Research, Canada; Paula Batista, Director of Science and Innovation and Technology, FAPESP, Brazil

Chair: Nicholas Steneck, University of Michigan, US

CHALLENGES IN PROMOTING THE RESPONSIBLE CONDUCT OF RESEARCH: PERSPECTIVES OF PUBLIC FUNDERS
Presenter: Susan Zimmerman, Secretariat on Responsible Conduct of Research, Canada

COLLABORATING FOR HEALTHIER LIVES -- THE PATIENTS ARE WAITING: THE PHARMACEUTICAL INDUSTRY'S ROLE IN FOSTERING RESEARCH INTEGRITY AND CREATING BETTER SYSTEMS
Presenter: David Gallacher, Janssen, Belgium

RESEARCH INTEGRITY: WHAT IS A SCIENCE FUNDER TO DO?
Presenter: Kevin Moses, Wellcome Trust, UK

16h00 - 17h30 Room: Segovia I, II, III
PLENARY E

THE ROLE OF FUNDERS IN DRIVING CHANGE IN THE RESEARCH SYSTEM
Chair: Nicholas Steneck, University of Michigan, US

17h30 - 18h00 Room: Alhambra
BREAK (Poster display)

18h00 - 19h30 
CONCURRENT SESSIONS 16-20 AND PARTNER SYMPOSIUM H

CS16.1 – Whose responsibility is it anyway?: A comparative analysis of core concepts and practice at European research-intensive universities to identify and develop good practices in research integrity
Presenter: Izuzor De Leuscha, University of Barcelona, Spain
Co-authors: Enki Lifjørsm, University of Helsinki, Finland; Kathien Mars, League of European Research Universities, Belgium

CS16.2 – Research integrity guidance in European research universities
Presenter: Kris Dierickx, University of Leuven, Belgium
Co-authors: Noëmie Bone, Simon Godecharle, all: University of Leuven, Belgium

CS16.3 – Research Integrity: Processes and initiatives in Science Europe member organisations
Presenter: Tony Peayfield, Medical Research Council, UK
Co-authors: Science Europe Working Group on Research Integrity

CS16.4 – Promoting research integrity in Italy: The experience of the Research Ethics and Bioethics Advisory Committee of the Consiglio Nazionale delle Ricerche (CNR)
Presenters: Cinzia Caporale, National Research Council of Italy, Italy; Daniela Fanelli, Stanford University, US

CS17.1 – Meaningful ways to incorporate research integrity into the responsible conduct of research into undergraduate, graduate, postdoctoral and faculty training programs
Presenter: John Carfora, Loyola Marymount University, US
Co-authors: Eric Strauss, Loyola Marymount University, US; William Livem, Clark University and Loyola Marymount University, US

CS17.2 – “Recognize, respond, champion”: Developing a one-day interactive workshop to increase confidence in research integrity issues
Presenter: Dieter De Bruyne, Ghent University, Belgium
Co-authors: Brecke Nele, Ghent University, Belgium; Katrien De Gelder, Ghent University, Belgium; Stefanie Von der Burgth, Ghent University, Belgium

CS17.3 – “Train the trainer” on cultural challenges imposed by international research integrity conversations: Lessons from a project
Presenter: José Roberto Lapa e Silva, Universidade Federal do Rio de Janeiro (UFRJ), Brazil
Co-author: Sónia M. R. Vascorcelos, Universidade Federal do Rio de Janeiro (UFRJ), Brazil

CS18.1 – Social responsibility as an ethical imperative for scientists: Research, education and service to society
Presenter: Mark Frankel, American Association for the Advancement of Science

CS18.2 – The intertwined nature of social responsibility and hope in science
Presenter: Daniel Vosried, West Virginia University, US

CS18.3 – The intertwined nature of social responsibility and hope in science
Presenter: Daniel Vosried, West Virginia University, US

CS18.4 – Common barriers that impede our ability to create a culture of trustworthiness in the research community
Presenter: Mark Yorobrough, University of California Davis, US

CS19.1 – The authors’ forum: A proposed tool to improve practices of journal editors and promote a responsible research environment
Presenter: Ibrahim Alования, King Saud University, Saudi Arabia
Co-authors: Khalid Al-Wazzan, King Saud University, Saudi Arabia

CS19.2 – Quantifying research integrity and its impact with text analytics
Presenter: Harold Garner, Virginia Tech University, US

CS19.3 – A closer look at authorship and publication ethics of multi- and interdisciplinary teams
Presenter: Lisa Campo-Engelstein, Albany Medical College, US
Co-authors: Zubin Master, Albany Medical College, US; Else Smith, University of Montreal, Canada; David Resnik, National Institutes of Health, US; Byrn William-Jones, University of Montreal, Canada

CS19.4 – Invisibility of duplicate publications in biomedicine
Presenter: Mario Molenk, University of Split, Croatia
Co-authors: Ana Urtabir, Ana Moraic, all: University of Split, Croatia
20. THE CAUSES OF BAD AND WASTEFUL RESEARCH: WHAT CAN WE DO?
Chair: Lex Bouter, VU University, Amsterdam
CS20.1 – From countries to individuals: Unravelling the causes of bias and misconduct with multilevel meta-meta-analysis
Presenter: Daniele Fanelli, Stanford University, US
Co-author: John PA Ioannidis, Stanford University, US
CS20.2 – Reducing research waste by integrating systems of oversight and regulation
Presenter: Gerben van Riet, University of Amsterdam, Netherlands
Co-authors: Tom Walley, University of Southampton, UK; Lex Bouter, VU University, Netherlands
CS20.3 – What are the determinants of selective reporting?: The example of palliative care for non-cancer conditions
Presenter: Jenny van der Steen, VU University, Netherlands
Co-author: Lex Bouter, VU University, Netherlands
CS20.4 – Perceptions of plagiarism, self-plagiarism and redundancy in research: Preliminary results from a national survey of Brazilian PhDs
Presenter: Sonia Vassconcelos, Universidade Federal do Rio de Janeiro (UFRJ), Brazil
Co-authors: Martha Sorenson, UFRJ; Francisco Prescodim, UFRJ; Haroldo Mosuda, UFRJ; Edison Watanabe, UFRJ; José Carlos Pinto, UFRJ; Marília Polatino, UFRJ; José Lapa e Silva, UFRJ; Jacqueline Leit, UFRJ; Adalberto Vieira, UFRJ; André Pinto, Brazilian Center for Physics Research (EBPF). Mounia Antana, National Agency for Complementary Health (ANS); Rosemary Shinawi, Pontifical Catholic University of Rio Grande do Sul (PUCRS); all: Brazil
Room: Segovia I, II, III

PARTNER SYMPOSIUM H
Organized by GRL, the Office of Research Integrity, Universitas 21, and the Asia Pacific Research Integrity Network
International integrity networks: Working together to ensure research integrity
Chairs: Paul Taylor, University of Melbourne, Australia; Zel Hammott, US. Office of Research Integrity, US
Ping Sun, Institute of Scientific and Technical Information of China, China
Dwó Teng, Academia Sinica, Chinese Taipei
Kristo Vorontso, Finnish National Board on Research Integrity, Finland
Susan Zimmerman, Secretariat on Responsible Conduct of Research, Canada

20.00 - 22.30
GALA DINNER WITH SAMBA SHOW
Room: Queluz

Room: El Pardo II

21. ARE THERE COUNTRY-SPECIFIC ELEMENTS OF MISCONDUCT?
Chair: Simon Godcharles, University of Louven, Belgium
CS21.1 – The battle with plagiarism in Russian science: Latest developments
Presenter: Boris Yudin, Russian Academy of Sciences, Russia
CS21.2 – Researchers between ethics and misconduct: A French survey on social representations of misconduct and ethical standards within the scientific community
Presenter: Ettienne Vergès, Université de Grenoble, France
Co-authors: Anne-Sophie Brun-Weathert, Geraldine Vial, all: University of Grenoble, France

22. RESEARCH INTEGRITY TEACHING PROGRAMMES AND THEIR CHALLENGES
Chair: Paul Taylor, University of Melbourne, Australia
CS22.1 – Faculty mentors and research integrity
Presenter: Michael Kalichman, University of California San Diego, US
Co-author: Dana Pfenmons, University of California San Diego, US
CS22.2 – Training the next generation of scientists to use principles of research quality assurance to improve data integrity and reliability
Presenter: Rebecca Lynn Davies, University of Minnesota, US
Co-author: Katrina Laube, University of Minnesota, US
CS22.3 – Fostering research integrity in a culturally diverse environment
Presenter: Cynthia Scheepens, University of Hawaii, US
Co-author: John Galland, University of Hawaii, US
CS22.4 – Towards a standard retraction form
Presenter: Hervé Mautionneau, Université Claude Bernard Lyon 1, France
Co-author: Evelyne Decullier, Université Claude Bernard Lyon 1, France
Room: Segovia IV

23. COMMERCIAL RESEARCH AND INTEGRITY
Chair: Carthage Smith, Organization for Economic Co-operation and Development, USA
CS23.1 – The will to commercialize: Matters of concern in the cultural economy of return-on-investment research
Presenter: Brian Noble, Dalhousie University, Canada
CS23.2 – Quality in drug discovery data reporting: A mission impossible?
Presenter: Anja Gils, Janssen, Belgium
Co-authors: David J. Gallocher, Belgium; Tom Lavrijsen, Belgium; Malwina David, US; Malini Dasgupta, UK; Hans Mol, Belgium; all: Janssen
CS23.3 – Instituting a Research Integrity Policy in the Context of Semi-Private-Sector Funding: An example in the Field of Occupational Health and Safety
Presenter: Paul-Emile Bullaie, Institut de Recherche Robert-Sauve en Santé et en Sécurité du Travail, Canada
Co-authors: François Lavrijssen, The Lancet, UK
Room: El Pardo I

CS24.1 – Improving cooperation between journals and research institutions in research integrity cases
Presenter: Elizabeth Wagger, Sideview, UK
Co-author: Sabine Kleinert, The Lancet, UK
Room: El Pardo II

CS25.2 – Retraction notices issued for publications by Latin American authors: What lessons can we learn?
Presenter: Sonia Vassconcelos, Universidade Federal do Rio de Janeiro (UFRJ), Brazil
Co-authors: Andrew Hafston, Melanie Clene, all: Nature Publishing Group, UK
CS25.3 – A preliminary report of the findings from the Reproducibility Project: Cancer biology
Presenter: Elizabeth Iams, Science Exchange and The Reproducibility Initiative, US
Co-author: William Gunn, Mendeley and The Reproducibility Initiative, US
CS25.4 – Trust in research: The ethics of knowledge production
Presenter: Garry Gray, University of Victoria, Canada

Room: Alvorada I

CS21.3 – Experience from different ways of dealing with research misconduct and promoting research integrity in some Nordic countries
Presenter: Torbild Vinther, The Norwegian National Committees for Research Ethics, Norway
CS21.4 – Are there specifics in German research misconduct and the ways to cope with it?
Presenter: Volker Bibe, Chair, Office for Good Scientific Practice, Germany
Room: Alvorada II
Wednesday, June 3, 2015

Room: Segovia I, II, III

PARTNER SYMPOSIUM J
Organized by COPE, the Committee on Publication Ethics
Publication without borders: Ethical challenges in a globalized world
Chair: Charlotte Høeg, Committee on Publication Ethics (COPE), Norway
COPE’s role in leading the debate in publication ethics: Principles of transparency and best practice in scholarly publishing
Charlotte Høeg, Committee on Publication Ethics (COPE), Norway
Ethical approval as a prerequisite for publication: Does it mean the same for all countries?
Muhammad Ifyan, Peshawar Medical College, Pakistan; Behrooz Aftanaz, Shiraz University of Medical Sciences, Iran
Authorship: Credit and responsibility, including issues in large and interdisciplinary studies
Rosemary Shinkai, Pontifical Catholic University of Rio Grande do Sul (PUCRS), Brazil

13h00 - 14h15 Room: Queluz

LUNCH

14h15 - 15h45 Room: Segovia I, II, III

PLENARY C

THE ROLE OF PUBLISHERS IN DRIVING CHANGE
Chair: Sabine Kleinert, The Lancet, UK
WHAT IS THE ROLE OF JOURNALS AND PUBLISHERS IN DRIVING RESEARCH STANDARD CHANGES?
Presenter: Jeffrey Beall, University of Colorado, US
AGAINST PLAGIARISM: A GLOBAL SURVEY BETWEEN ANTHROPOLOGISTS AND NON-ANTHROPOLOGISTS
Presenter: Helen (TH) Zhang, Journal of Zhejiang University Science A/B/C and Zhejiang University Press, China
PREDATORY PUBLISHERS ARE POISONING SCHOLARLY COMMUNICATION
Presenter: Jeffrey Beall, University of Colorado, US

16h00 - 17h30 Room: Alvorada I

CONCURRENT SESSIONS 26-30 AND PARTNER SYMPOSIUM J

26. RESEARCH INTEGRITY AND SPECIFIC COUNTRY INITIATIVES
Chair: José Roberto Lopa e Silva, Universidade Federal do Rio de Janeiro (UFRJ), Brazil
CS26.1 – Promoting research integrity at CNRS, France
Presenter: Michèle Leduc, Centre national de la recherche scientifique, France
Co-author: Lucienne Letellier, Centre national de la recherche scientifique, France
CS26.2 – In pursuit of compliance: Is the tail wagging the dog?
Presenter: Ermelinda Mullerhe, Stellenbosch University, South Africa
CS26.3 – Newly established research integrity policies and practices: Oversight systems of Japanese research universities
Presenters: Takehito Kamata, University of Minnesota, US
Room: Alvorada I

27. RESPONSIBLE CONDUCT OF RESEARCH AND COUNTRY GUIDELINES
Chair: Sonia Voconzoros, Universidade Federal do Rio de Janeiro (UFRJ), Brazil
CS27.1 – Incentives or Guidelines?: Promoting responsible research communication through economic incentives or ethical guidelines?
Presenter: Wider Emboek, The Norwegian National Committees for Research Ethics, Norway
CS27.2 – The new Italian guidelines on research integrity in the European context
Presenter: Rino Richard Pavone, National Research Council of Italy, Italy
CS27.3 – Responsible conduct of research: A view from Canada
Presenter: Lynn Penrod, University of Alberta, Canada
CS27.4 – The Danish Code of Conduct for Research Integrity: A national initiative to promote research integrity in Denmark
Presenters: Thomas Nørgaard, The Danish Agency for Science, Technology, and Innovation
Co-author: Charlotte Elvendom, The Danish Agency for Science, Technology and Innovation

Room: Alvorada II

29. REPORTING AND PUBLICATION BIAS AND HOW TO OVERCOME IT
Chair: Diane Sellenberger, Proceedings of the National Academy of Science (PNAS), US
CS29.1 – Data sharing: Experience at two open-access general medical journals
Presenter: Tinu Groves, The BMJ, UK
CS29.2 – Overcoming publication bias and selective reporting: Completing the published record
Presenter: Daniel Shanahan, BioMed Central, UK
CS29.3 – The EQUITOR Network: Promoting responsible reporting of health research studies
Presenter: Iveta Sirena, University of Oxford, UK
Co-authors: Sharla Kintley, University of Oxford, UK; Elena Ovillurte, Pan American Health Organization, US; Caroline Bruthers, University of Oxford, UK; Angela MacCarty, University of Oxford, UK; Douglas Altman, University of Oxford, UK
Room: El Pardo I

30. THE RESEARCH ENVIRONMENT AND ITS IMPLICATIONS FOR INTEGRITY
Chair: Zion Hammatt, Office of Research Integrity (ORI), US
CS30.1 – Ranking of scientists: The Russian experience
Presenter: Elena Grebenshchikova, Institute of Scientific Information on Social Sciences of Russian Academy of Science, Russia
CS30.2 – Publication pressure and scientific misconduct
Presenter: Jørgen Tjønn, VU University, Amsterdam, Netherlands
Co-author: Yvo Smulders, VU University, Amsterdam, Netherlands

Room: El Pardo II

Wednesday, June 3, 2015

Room: Segovia IV

28. BEHAVIOUR, TRUST AND HONESTY
Chair: Daniel Vogsd, West Virginia University, US
CS28.1 – The reasons behind non-ethical behaviour in academia
Presenter: Yves Fossin, Ghent University, Belgium
CS28.2 – The psychological profile of the dishonest scholar
Presenter: Cynthia Fekken, Queen’s University, Canada
CS28.3 – Considering the implications of Dan Ariely’s keynote speech at the 3rd World Conference on Research Integrity in Montreal
Presenter: Jamal Adam, University of Minnesota, US
Co-author: Melissa S. Anderson, University of Minnesota, US
CS28.4 – Two large surveys on psychologists’ views on peer review and replication
Presenter: Joelle Richer, Tilburg University, Netherlands
Co-author: Britt Rutvij, Tilburg University, Netherlands

Room: El Pardo I

CS30.3 – Archives of war: Researching organizational memory
Presenter: Andrew Hoskins, University of Glasgow, UK
CS30.4 – From cradle to grave: Research integrity, research misconduct and cultural shifts
Presenter: Bronwyn Greene, University of New South Wales, Australia
Co-author: Ted Rohr, University of New South Wales, Australia

Room: Segovia I, II, III

PARTNER SYMPOSIUM J
Organized by CITI, the Cooperative Institutional Training Initiative
Experiences on research integrity educational programs in Colombia, Costa Rica and Peru
Chair: Sergio Litwicki, University of Miami, US
Experiences in Peru
Rosario Lescano, Pontificia Universidad Católica del Perú, Peru
Experiences in Costa Rica
Elizabette Heitmann, Vondeldeit University, US
Experiences in Colombia
María Andrea Rociol del Pilar Contreras Nieto, Universidad el Rosario, Columbia
Experiences in Mexico
Patricio Estrada, Autonomous University, Mexico

Room: Itamaraty

EDUCATION TRACK / CERTIFICATE COURSE

PUBLICATION ETHICS: CHALLENGES IN RESPONSIBLE RESEARCH COMMUNICATION
Session 4: Going public: Dealing with the press, communicating with the public, and social media
Chair: Elizabeth Wager, Sideview, UK

17h45 - 18h30 Room: Segovia I, II, III

PLENARY H

FOCUS TRACKS / CONFERENCE CLOSING AND FAREWELL
Chair: Susan Zimmerman, Secretariat on Responsible Conduct of Research, Canada
Susan Zimmerman, Secretariat on Responsible Conduct of Research, Canada
Sабine Kleinert, The Lancet, UK
Melissa Anderson, University of Minnesota, US
